ACKNOWLEDGEMENT

We express my heartfelt gratitude to our teacher and guide Smt. Sanjukta Mishra, HOD, Electronic & Telecommunication Department for her sincere guidance at every stage on the preparation of this research work. Without her scholarly guidance, assistance and valuable advice, this work could not have been completed in time. Her keen interest throughout propelled and inspired us to prepare this work and finish it in time.

Once again, our sincere thanks to all other faculties & friends who supported us throughout the project.
